

Five Ways to Earn

Through Vizi365

FIRST WAY: PHOTO CONTESTS

Affiliates who enter our contests can win prizes for photos selected to be in one of our ViziMagazines. Prizes are \$365.00 for Grand Winners and \$20.00 for all other winners.

SECOND WAY: VIZI ROYALTIES

Affiliates earn 50¢
each time someone
purchases one of their
images through ViziStock.

THIRD WAY: RETAIL SALES

After selling Vizi products to Retail Customers, Affiliates keep 80% of the difference between the Retail Price and the Business Volume.

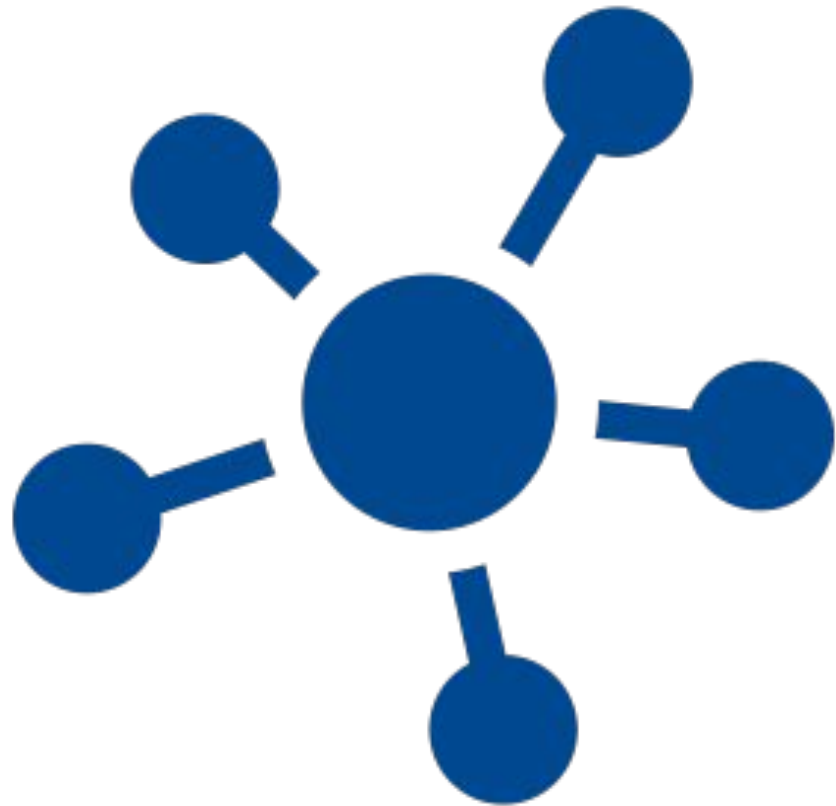

FOURTH WAY: BUSINESS CENTER COMMISSIONS

Business Center Commissions are determined by the Business Volume generated by Affiliates on the even levels of the 2X8 matrix of each Business Center.

To earn from the whole Business Center, Affiliates must meet sponsoring and sales requirements.

FIFTH WAY: ADDITIONAL BUSINESS CENTERS

Affiliates can sponsor additional people into their business teams and qualify for additional Business Centers and for additional Business Center Commissions.

RECAP: These are the five ways to generate multiple streams of income with Vizi365. We have an awesome program in store for you!
